*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Obedience is a challenge faced by all ages. Obedience to God is initially taught through the consistent discipline of parenting as demonstrated in the sixth book of the Duck Ponder Series, It is NOT Okay to Disobey. Jonah and Eve are the newest ducklings on the pond. When they decide that obeying their mother is boring, they soon realize that disobedience brings scary consequences. Train up a child in the way they should go; and when he is old, he will not depart from it. King Solomon wrote these words in Proverbs 22:6. Solomon's promise, through God's inspired word, gave this author insurmountable hope in the darkest hours of raising her own two children. Mature children will make up their minds if they will follow God's way or not. Parents can teach and encourage their children to choose God's way while they are young. Even though Duck Ponder Series books have been written in a child-like format, the messages they contain are for all ages. We all fall short of complete obedience, deciding our way is better. The results remain the same: Obeying God will always have the better outcome. Patty J. Keith, author of Duck Ponder Series, hopes you are inspired by the photography of God's creation as well as the words of faith, hope and love contained within these pages.
