Maritime historians Professor Henry Keatts and George Farr are authors of many stirring accounts of shipwrecks. In this work they venture into the lives and homes of lightkeepers, lifesavers, and residents along the shore off which the ships sank. The authors capture the dauntless spirit of those who risked their lives and generously opened their homes to shipwreck victims. Anecdotal events detail the loss of ships and rescue attempts, not all of which succeeded. A history of lighthouse evolution supplements the description of individual lighthouses. A history of the U. S. Life-Saving Service adds an interesting sidelight. A wealth of illustrations, reflecting tireless research, breathes a seafaring spirit into this narrative of shipwrecks, lighthouses, and people. Reviews: If you're fascinated by sea tragedies and shipwrecks, *The Bell Tolls* is the book to read. Tales of heroism and disaster wrapped in mystery are examined and revealed in a well-detailed manner that is suspenseful as well as intriguing. *The Bell Tolls* will go down as a classic for those of us who are captivated by the sea and those who have sailed on her. -Clive Cussler I particularly enjoyed the bits of ancient poetry they have included. Let me compliment them on their style of writing, and I like the fact that they are not talking down to their readers--something that all too many authors seem to do. They are to be congratulated not only on their writing skills, but on their depth of both research and knowledge. *The Bell Tolls: Shipwrecks and Lighthouses* will be a best seller. -Frank O.
