Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Zombie 2.0* the infected are leaner, meaner, certainly not cleaner. Al, all 6 7 of him, teams up with the survivors of the zombie apocalypse as they try to find a safe refuge and make sense of the nightmare world Ven created. Al s Pervasive Developmental Disorder, Not Otherwise Specified (PDD-NOS) causes its own unique set of issues for the gang - if one more person asks him if he is Dutch, just because he speaks funny, he might just explode. The Web is still a no-go zone, but it doesn t stop those that can somehow get a connection from going on Twitter to see if anyone is doing anything cool. As the world burns and the brains are eaten, hashtags and timelines still lure the remnants of the world s population. What s the first thing you do when your boyfriend gets eaten by his mom? Update your Facebook relationship status, of course! Be prepared for new adventures in wet Wales, bad jokes courtesy of Al, and depressing observations on the human condition.
