Having been denied her usual option of running and hiding from the effects of her craft, Joanne is now forced to face her demons head on with the fate of mankind hanging in the balance. The confrontation must take place outside of her element and far from her comfort zone, in a supernatural realm where anything is possible and nothing is as it seems; a world where Cassandra reigns supreme, Gerald is not the man he once was, and Joanne will discover who she is destined to become. Book two of the Consequences of Desire trilogy picks up where Hexed left off and dives into an epic adventure of love, mythology, and magic.
