

Dr. Atomic s Marijuana Multiplier (Paperback)

By Adam Gottlieb

Ronin Publishing, United States, 1998. Paperback. Condition: New. Second Edition. Language: English . Brand New Book. First published in the early 1970s, Dr. Atomic s Marijuana Multiplier demonstrates the playfulness characteristic of those long gone times. Larry Todd s Dr. Atomic, a well-loved underground character, walks the reader through the process of turning low-grade weed into high-quality smoke. With today s advanced growing techniques and high-grade seeds, most indoor marijuana provides a powerful smoke without Dr. Atomic s stove-top process. Dr. Atomic s Marijuana Multiplier is adult literature and not for children. The solvents used can be explosive and the reader is cautioned that it is offered as a historical novelty and archive of underground culture and not a recommended how-to process. Nonetheless, marijuana enthusiasts will find Dr. Atomic s amusing manual a unique addition to their library.
