Reviews

This sort of book is almost everything and helped me looking in advance and much more. Yes, it can be enjoy, nevertheless an amazing and interesting literature. Its been written in an extremely simple way which is simply right after i finished reading this publication through which in fact altered me, alter the way i really believe.

RUSTING CHICKENS (PAPERBACK)

Dark Regions Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Rob McKenna knew all about pain and suffering. As a member of a top secret black ops mission deep inside Pakistan, his Marine Force Recon Unit had a close up and personal tour of Hell on Earth and the horrors that men are capable of doing to one another. When he returned back stateside to Napa, California, Rob was a shadow of his former self, a broken young man left clinging to the tattered fragments of his marriage, his memory, and the rapid decline of his physical and mental health. Coming back from the war was supposed to be the end of Rob's misery, the start of his new life, but unfortunately Hell had followed him home and the horror and pain had only just begun. Waiting for him where he least expected. Gene O'Neill's imagination transcends genre conventions. His prose is simultaneously lyrical and gritty, poetic and violent. With *Rusting Chickens*, O'Neill captures the vicious nature of warfare, not merely in physical combat, but in the psychological battles a soldier is cursed to fight for the remainder of his days. This is Gene O'Neill at his finest! - Michael McBride, author of *Predatory Instinct* and *Blindspot* From the brutal horrors of modern war, to the twisted battlefields of the healing human mind, Gene O'Neill takes his growing legion of fans on a chilling journey they won't soon forget. *RUSTING CHICKENS* will leave readers breathless and guessing right to the bitter end. and beyond. Highly recommended! - Gord Rollo, Author of *Valley Of The Scarecrow* and *Strange Magic*.
