Adventures Unlimited Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. Underground author George Piccard on the politics of LSD, mind control, and Kennedy's involvement with Area 51 and UFOs. Reveals JFK's LSD experiences with Mary Pinchot-Meyer. The plot thickens with an ever expanding web of CIA involvement, from underground bases with UFOs seen by JFK and Marilyn Monroe (among others) to a vaster conspiracy that affects every government agency from NASA to the Justice Department. This may have been the reason that Marilyn Monroe and actress/columnist Dorothy Killgallen were both murdered. Focussing on the bizarre side of history, Liquid Conspiracy takes the reader on a psychedelic tour de force.
