Austin Macauley Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Maisie is a curious, happy-go-lucky and adventurous little puppy. We see the world through her eyes - one of sights, smells and knowing what humans are feeling. One day, after chasing another dog, she loses her owner and goes off on her own adventure, seeing what happens outside in the night-time. After some sad news, she is placed with a new home and a new family. Does this mean an end to her life of adventure? Absolutely not! Maisie shows us love, loyalty and the dog's eye view of the world. She grows up with her girl Chloe, who has Down's syndrome, and shares laughter and cuddles. Maisie sees the dramatic, confusing and often difficult world of humans and tries to understand it the best she can, reminding us that dogs truly are life companions who are always there for us when we need them.
