It's been twenty years since Western State Hospital was closed down and the last of its inmates reintegrated into society. Francis Petrel was barely out of his teens when his family committed him to the asylum, after his erratic behavior culminated in a terrifying outburst. But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory about the grim, telltale signature left on the victim's body, a string of unsolved sex killings, and a very real devil who, by chance or design, has come to turn a madhouse into a slaughterhouse. Now, with the past creeping back to haunt his thoughts, and nothing...
