## ANARCHISM AND SOCIALISM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In reprinting Anarchism and Socialism, by George Plechanoff, we realize that there is not the same need for assailing and exposing anarchism at present as there has been at different times in the past. Yet the book is valuable, not merely because of its historic interest but also to workers coming into contact with the revolutionary movement for the first time. The general conception of anarchism that a beginner often gets is that it is something extremely advanced. It is often expressed somewhat as follows: After capitalism comes socialism and then comes anarchism. Plechanoff very ably explodes such notions. Within the pages of this work the author shows not only the reactionary character of anarchism, but he exposes its class bias and its empty philosophic idealism and utopian program. He shows anarchism to be just the opposite of scientific socialism or communism. It aims at a society dominated by individualism, which is simply a capitalist ideal. Such ideals as liberty, equality, fraternity, first sprang from the ranks of the petty property owners of early capitalism, as Plechanoff shows.
