

The Grace Effect: How the Power of One Life Can Reverse the Corruption of Unbelief

Filesize: 3.5 MB

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Thomas Nelson Publishers, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Simply defined, the grace effect is an observable phenomenon-that life is demonstrably better where authentic Christianity flourishes. What does Christianity give us beyond televangelists, potlucks, and bad basketball leagues? Not much, according to the secular Left. The world, they say, would be a better place without it. Historian and Christian apologist Larry Taunton has spent much of his career refuting just this sort of thinking, but when he encounters Sasha, a golden-haired Ukranian orphan girl whose life has been shaped by atheistic theorists, he discovers an unlikely champion for the transforming power of grace. Through the narrative of Sasha s redemption, we see the false promises of socialism; the soul-destroying influence of unbelief; and how a society cultivates its own demise when it rejects the ultimate source of grace. We see, in short, the kind of world the atheists would give us: a world without Christianity-cold, pitiless, and graceless. And yet, as Sasha shows us, it is a world that is not beyond the healing power of the grace effect. Occasionally infuriating, often amusing, but always inspiring, The Grace Effect will have you cheering for the courageous little girl who shamed the academic elitists of our day. Endorsements: In The Grace Effect -- Larry Taunton s deeply moving and personal story of how his family adopted a Ukranian girl -- we behold the staggering contrast between a culture suffused with Christian faith and one that has utterly rejected it. Atheists must assiduously avoid exposure to stories like this one. If you ve ever been unsure of how much good Christianity does in the world, read this book. -Eric Metaxas, New York Times Best-selling author of Bonhoeffer: Pastor, Martyr, Prophet, Spy....
