Excerpt from Eighth Annual Report of the Board of Trustees of the State Normal School to the New Hampshire Legislature: June Session, 1878 The eighth annual report of the trustees of the state normal school is respectfully submitted. The imperative demand for radical improvements upon the normal-school building has been apparent to the trustees for some time past. Evils have existed, detrimental to the health and highest usefulness of the school. These evils have been unwillingly tolerated, only because sufficient funds have not been placed at the disposal of the board to effect their complete removal.
