

PERFECT YOUR ENGLISH

By MANJUSHA NAMBIAR

Unicorn Books, 2012. Paperback. Book Condition: New. English, as we all know, is full of problems for a foreign learner. One of the easiest ways of improving your English is to eliminate the common mistakes from your writing. While some of these problem-points are easy to explain, others cause difficulty even for the advanced students and teachers. For example, how exactly is the present perfect tense used? Is there any difference between far and a long way? This book is a guide to the questions of this kind. It addresses over 260 points, which regularly cause problems for the foreign learners. The rules and guidelines are given using as little linguistic terminology as possible. This book is aimed at the students who wish to improve the quality of their sentences. It is compiled for the use at school or at home. The entries are arranged alphabetically. Each entry contains an explanation of a problem, examples of correct usage and typical mistakes. The explanations are, as far as possible, given in a simple everyday language.
