## Blame It on the Black Guy (President Obama): Signs and Symptoms of Mental Distress and Dysfunction in Our 45th President (Paperback)

By Dr Rufus O Jimerson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to inquire whether President Trump s obsession with deconstructing Former-President Obama s legacy is a sign and symptom of mental distress and dysfunction of a degrading mental state and/or unscrupulous strategic choices. It provides analysis into the wider impact of this deconstruction that includes attacks on high-profile black dissent. The book examines whether President Trump is displaying signs and symptoms of early Alzheimer s disease which runs in his family. Observations are cited and reviewed. Implication respecting his sociopathic behavior is assessed. Determinations are given on whether President Trump s mental instability makes him incompetent to hold his office and whether he is a danger to the public since he controls our nuclear arsenal. The book then turns to living under this threat in Trump s chaotic reality and burdens it place on our state of mind and freedom. Last but not least, the book returns to the focus of Trump s whataboutism and how President Obama is smeared and mischaracterized for the current president s political gain by a base resentful that a black man...
