THE LOOTING MACHINE: WARLORDS, OLIGARCHS, CORPORATIONS, SMUGGLERS, AND THE THEFT OF AFRICA S WEALTH

Gildan Media on Dreamscape Audio, United States, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In his first book, *The Looting Machine*, Tom Burgis exposes the truth about the African development miracle: for the resource states, it s a mirage. The oil, copper, diamonds, gold and coltan deposits attract a global network of traders, bankers, corporate extractors and investors who combine with venal political cabals to loot the states value. And the vagaries of resource-dependent economies could pitch Africa s new middle class back into destitution just as quickly as they climbed out of it. The ground beneath their feet is as precarious as a Congolese mine shaft; their prosperity could spill away like crude from a busted pipeline.
