## From Science to God: The Mystery of Consciousness and the Meaning of Light

By Peter Russell

Yogi Impressions, Mumbai, India, 2003. Paperback. Book Condition: New. First Edition. What does the speed of light have to do with the Koran, St. John and Aldous Huxley? Where does quantum physics meet the psychology of meditation? And if "I think, therefore I am," why can't physics, chemistry or biology explain where human thought comes from? 'From Science to God' offers a crash course in the nature of reality. It is the story of Peter Russell's lifelong exploration into the nature of consciousness - how he went from being a strict atheist, studying mathematics and physics at Cambridge University, to realizing a profound personal synthesis of the mystical and scientific. Using his own tale of curiosity and exploration as the book's backbone, Russell blends physics, psychology, and philosophy to reach a new worldview in which consciousness is a fundamental quality of creation. He shows how all the ingredients for this worldview are in place; nothing new needs to be discovered. We have only to put the pieces together and explore the new picture of reality that emerges. 'From Science to God' is as much a personal story of an open-minded skeptic as it is a tour de force of scientific...

### Reviews

*An incredibly great ebook with lucid and perfect explanations. It is actually really fascinating through studying period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.*
