Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Within modern Wicca, the urge still exists to find a particular school. Covens are an option for some, but they can be hard to find. Even when you find one, it may not satisfy your particular quest. Other practitioners live in areas where it is not as easy to come out of the broom closet, so they have little access to groups. Additionally, many people who desire more direct access to their god or goddess choose to practice alone. Self-Initiation for the Solitary Witch is the solution for all of these dilemmas. This much-needed text leads practitioners through five-degree studies, from beginning concepts all the way through more advanced and integrative practices: First Degree: Path of Intellect, Second Degree: Path of the Heart, Third Degree: Path of the Soul, Fourth Degree: Path of the Physical, and Fifth Degree: Path of the Mysterious. Each Degree is a complete course of study. If you are looking for a path to further spiritual development that you can do in your own time and on your own terms, this is the one book you need.
