Radouk E. Lourenco,
Marie-Claire Rey eds.

Socially Sustainable
Cities
Principles and Practices

ES ECONOMICA

BROOKINGS INSTITUTION, United States, 2001. Paperback Condition: New. New. Language: English . Brand New Book. This book looks at the key components of socially sustainable urban development including: poverty, equity, globalization and economic revitalization; cultural diversity and social integration; land policies, housing quality and affordability; public infrastructures and urban transport; urban governance and participatory decision-making. It considers both the theoretical basis for social sustainability, and its applications in the local policies of cities in Africa, America, and Europe. It gives...

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
