Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time. (Ervin Crona)

PINEAPPLE PLUS: SEW SIMPLE TECHNIQUES FOR THE 21ST CENTURY

Quilters Haven Publications, United Kingdom, 2011. Paperback. Book Condition: New. 280 x 208 mm. Language: English . Brand New Book. This is the fourth title in Karin s popular Sew Simple techniques series. Pineapple Plus take the best-selling, popular title Sew Simple Pineapple to another level where she has explored the use of fabric triangles to replace some of the squares. Her new triangle methods give more color, more variety, more choice, and more fun. Quilt as you go is very popular, so she has included a pineapple version which incorporates the triangles and squares, quilting each block as it increases in size, an ideal for those who do not enjoy working with a large quilt. Three new pineapple techniques. Diagrams and example quilts for even more ideas. Detailed instructions for making three featured quilts.
