Romantic comedy junkie Natalie lives out those fantasies in real life three New Year s Eves in a row when fate throws her together with the same handsome stranger. A heartbreaking turn of events leaves her swearing off of love, forevers, and the holidays (bah humbug). That is until the mystery man from her past reappears years later. Over a holiday season, Natalie struggles to reconcile the whimsical notions of her past with the practical sensibilities she has worked so hard to develop. With the countdown to a new year looming, she must decide whether or not she is willing to give happily ever after another shot. In this holiday novella by Laura Chapman, celebrate the holiday season with a love story about second, and fifth, chances and learning to trust your heart.
