In preparation for the hull, we stand before the mast in skies that frame the things we've gained in contact with the past. Within the lessons time has stood and clocked upon the light, the dawn imposed the night it closed before the turn of sight. In shadows left the moon had cleft in crossroads either way in stars combined upon the time the tides would drift away. In words performance truth was known in light that would compose, the type of thoughts the mind reports preferred to be exposed. Upon account the west winds fight the flight deck on the east, the shorelines come as we've begun to flag the planes released. In destination cord and weighed upon the data faced, examination termed the light the squadrons were to place. In flight of passage to the west, the winds of time concealed their pasts upon the words begun the same as they'd revealed. In force of lift in overdrive, the jets enforced the thrust upon the speed of endless creed upon skies above. In missions and in service called the pilots names conferred the light of call they stand before in skies the sun referred. Beneath the valleys of attempt, the mountains were pronounced upon the verbs the pilots words had flown upon the routes. In point that heavens will be set involvements are relayed in mind of thought upon the chords that flight wings are displayed.
