LIVING CONSCIOUSLY: ESSAYS BY MARIANNE DUFFILL COX (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . I am hoping to both inspire you to seek and search to find your own path, to show you where my path took me, and some of what I have learned along the way. I also so hope to open you up to the possibility of where human conscious can go, and how you can increase the possibility of getting there. If this book achieves a small part of any of these things, for even one person, the book will...
