## DARE TO LIVE: DEVOTIONS FOR THOSE OVER THE HILL, NOT UNDER IT! (VOLUME 1)

Lighthouse Publishing, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This book is well thought out and put together. Excellent Christmas gift for any adult or for a personal purchase! - Helen Catharine Roberts I loved Elizabeth's frank viewpoint. She is very transparent and has a quirky sense of humor that really drives home some hard truths. She talks about how nice it is to become a senior (you get discounts at restaurants) and then talks about the bad as well (your health may get worse or your ability to adapt to change is hampered). The book is a series of devotionals that each end with a prayer, Bible passage to pursue and questions to make you think. - Sharon Williams I think this is an excellent book, that can be shared with everyone, no matter WHAT they're age! Looking for a wonderful Christmas gift for your parents who 'don't need or want anything' and whose walls are full of pictures of the grandkid(s)? Then this is the gift you need to buy! First off, it has LARGE PRINT. Yup, no straining to read without reading glasses for mom and dad (can I get an alleluia?). That alone might make you buy it, BUT there's more! Elizabeth covers some great topics like grey hair, memory, worship, getting you money's worth, the digital age, bellyaching, rejoicing, Looks being deceiving, cheating on God, neighbors, name calling, directions, being stubborn, and even yard sales! Her stories are funny and to the point, and all of us, no matter our age, will be able to relate to them! Her included prayers are heartfelt and easy to pray. I highly recommend this book for all your gift giving needs to people who are older (aka part 30!), as...
