Focus on the Family Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. With 25,000 copies sold of Raising Kingdom Kids, Tony Evans succeeds in equipping kingdom parents in shaping the next generation. Now Dr. Evans turns his focus to the kids, with a practical guide for kids ages 11 to 13 to use under the guidance of a parent, mentor, or teacher. Every aspect of the full-color, beautifully designed Kingdom Quest Strategy Guide conveys energy that attracts participation and offers relevance as adolescents begin to own their faith. Dr. Evans purposes to instill kingdom virtues at this impressionable age, highlighting wisdom, integrity, faith, resiliency, purity, and service. Each chapter, called a Kingdom Key, contains related Scriptures that allow adolescents to question, reflect, journal, and apply truth to their lives. An added quiz with accompanying profile increases discussion and accountability when shared with a group. Kingdom Quest Strategy Guides are available for kids in three different age ranges, using custom, age-appropriate content and design to attract and minister to children and those who lead them. Kids will grow closer to the Lord, strengthen bonds with Christian friends, and admire those who lead them using this powerful tool.
