## LOST IN TOKYO (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Don't miss this powerful, romantic story with shocking surprises that you'll never see coming! Nineteen-year-old Erin is hoping that her visit to Japan with her best friend, Adam, will be life-changing. When Erin was just four years old, her mother mysteriously vanished. Erin's only clue to her mother's possible whereabouts is a hand-written itinerary for a dream trip to Japan, a trip that Erin doesn't know if her mother ever had the chance to take. Erin has decided to carry out this itinerary, believing that it might help her find her mother. But Erin's trip won't be going according to plan. Hours after they arrive in Tokyo, in a jet-lagged fog, Erin and Adam end up in bed together. While struggling with the tension that now dominates their once innocent friendship and the trauma stirred up from Erin's painful past, Erin and Adam visit the places on her mother's list. As they explore the wonders of Japan, Erin finds herself haunted by strange memories that seem to belong to her mother. Could these memories be real? If so, perhaps her mother can be found.
