Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BEDFORD BOOKS, 2017. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. In this examination of the Roman institution of slavery, Brent Shaw presents a compelling selection of the ancient testimony relating to Spartacus and the Slave Wars. A revised introduction places Spartacus in the context both of recent historical work and in relation to images of Spartacus in television and film media. The existing collection of translated Greek and Latin sources has also been fully revised, and now includes additional documents that flesh out the Roman responses to the Spartacus slave revolt. A new image has also been provided to illustrate the nature of the slave villas of the period. Along with the existing Glossary, annotated list of ancient writers, and maps, the new edition also features a fully revised and updated Bibliography, Chronology, and set of Questions for Consideration.
