Alfred Music, 2008. Mixed media product. Condition: New. Language: English . Brand New Book. Guitar shredders everywhere will be thrilled with the new SHREDHED series, an innovative line of educational products created by InkTree, Inc. The new twist on traditional sheet music allows guitarists to view an entire song in an easy-to-view display, allowing multiple users to learn together, eliminating the need for music stands, and most importantly ensuring that guitarists fingers never leave their instruments to flip pages.
