

Turkey (Paperback)

By Julius R Van Millingen

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Before proceeding further it might be interesting to relate an incident which pictures the primitive character and frugality of the founders of this dynasty. When the mighty Othman died, the only possessions he left behind were a salt-bowl, the symbol of hospitality, a spoon, his sword and standards, his cloak and white turban, a pair of horses, a yoke of oxen, and his flock of sheep. His sword is still preserved in Constantinople, and each successive Sultan is invested with it on his coronation. The descendants of his flock of sheep are still the heritage of the reigning Sultan, and still browse on the ranges of Bithynian Olympus, and supply butter and cheeses for the royal household. The victories of the Ottoman Turks were followed by the incorporation of the Seljuks, and drew into their ranks crowds of recruits thirsting for blood and plunder.
