Hyperink, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. ABOUT THE BOOK The Burning Man, the storied ritual of self-expression, has evolved into The Burning Entrepreneur, the ultimate self-expression through start-up success. Renowned tech investor and start-up guru Brad Feld lights YOU on fire with this insiders book that will teach you how to launch, fund and run your own company. If youre already an entrepreneur or have always dreamed of being one, douse yourself in Feld Thoughts and catch the spark. Youll be burning, entrepreneur, with this e-book! Feld Thoughts is a great example of truth in advertising. This blog, which has existed since before blogging was cool, collects the thoughts of Brad Feld, investor, entrepreneur, MIT grad, tech lover and marathoner. Brads blog is a backstage pass to the 24/7 rock show that is tech startups. It is a master class in startup investing for givers and takers of funds. It is a rolling critique of tech products vast and simple (with enough edge to make the most scathing restaurant critic in Manhattan blush). And it is the journal of a peripatetic marathoner who still believes he will crack the four-hour mark someday. From such Feld Thoughts, we have constructed The Burning Entrepreneur, the e-book on startups that you would take to a desert island if it had electricity, a decent Internet connection and angel investors. The Burning Entrepreneur illuminates the actions and attitudes required to launch, fund and ignite your startup. Brad Feld is on fire. Find out what happens when you stand too close. MEET THE AUTHOR Brad has been an early stage investor and entrepreneur for over 20 years. Prior to co-founding Foundry Group, he co-founded Mobius Venture Capital and, prior to that, founded Intensity Ventures,...
