Linda Brady, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If you have a nagging feeling that somehow your life has gotten off track, Discovering Your Soul Mission can help you create the most fulfilling life possible. Karmic astrologer and holistic teacher Linda Brady, along with coauthor Michael Brady, shows how the desires of our personalities--what we think we want--clash with the needs of our souls--what will make us truly happy. In order to pinpoint your soul mission, Brady uses the technique of karmic astrology, which--unlike the more familiar sun-sign astrology--delves into areas known previously only to the cognoscenti. With this easy-to-use method, you do not have to obtain an astrological chart. All the required information is provided here to help you instantly discover the sign ruling your soul mission. You will learn your Soul Pattern sign, which governs old habits that you need to let go, and your Soul Potential sign, which indicates your latent qualities and hidden talents that must be developed to follow your true path. Virgo perfectionism, for instance, can give way to Pisces intuition; Sagittarian procrastination can give way to Gemini creativity. In this revised and expanded edition, Brady updates her 1998 classic with new techniques and strategies to aid readers in living happier lives, as well as with planetary tables to the year 2035, making the book useful for the next generation. She offers new chapters on Chiron and Uranus, which emerge from her work with clients in more recent years, as well as an expansion of her discussion of the transition from the Age of Pisces to the Age of Aquarius. Brady offers numerous meditation, journaling, dream work, and other exercises to explore and incorporate your soul mission into your current life. Other planetary...
