Medical Conditions in the Athlete 3rd Edition With Web Study Guide (Hardback)

By Katie Walsh Flanagan, Micki Cuppett

Human Kinetics Publishers, United States, 2017. Hardback. Condition: New. 3rd edition. Language: English . Brand New Book. Medical Conditions in the Athlete, Third Edition With Web Study Guide, equips health care providers with the information they need to develop a framework for decision making when working with injured and recovering athletes and active populations. The updated and streamlined third edition provides comprehensive medical information that assists health care providers and athletic trainers in recognizing and identifying underlying and potentially serious medical conditions that may affect their chosen course of treatment. The highly esteemed authors, Katie Walsh Flanagan and Micki Cuppett, have combined their professional skills and educational expertise to revitalize the content of Medical Conditions in the Athlete, Third Edition, with current, research-driven assessment and treatment information for medical conditions that affect the physically active population. The updated content aligns with Board of Certification (BOC) and Commission on Accreditation of Athletic Training Education (CAATE) standards. The book addresses medical conditions by body system, their mechanism of acquisition, signs, symptoms, differential diagnoses, referral, treatment, and return-to-participation criteria. The 18 comprehensive chapters are organized into three sections: Introduction to Medical Conditions, Pharmacology and Interventions, and Medical Conditions by System. Throughout the text,...
