Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Helping to explain the indifference of labor unions by IO psychology is a failure to appreciate power differences of management and workers, the early attitudes toward unions of IO psychologists, and limited financial rewards. Comparing to the history of economics and sociology is the United States history of IO psychology in investigation of this hypothetical viability. The available resources within workforce planning may be an underappreciated commodity. This may be especially so when employees are not viewed as tacit knowledge workers. The tacit knowledge worker even beyond his or her retirement age, one may need to use incentive in maintaining their skill sets. Through professional opinion and research data pertaining to police organizations, a perspective of law enforcement occurs of industrial/organizational psychology. Conclusions of this research include adequate measures not to take place in police personnel administration pertaining to organizational effectiveness or individual performance. Workplace Violence in Law Enforcement discusses the profession of law enforcement from a statistical viewpoint in terms of violent occurrences. These violent occurrences are not always fatal, yet law enforcement more than any other profession has the highest risk of a demonstration of fatal or non-fatal violence.
