I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Our bilingual edition has all the original stories as they have evolved in the last twenty years of Joe's storytelling. It also has new illustrations by award-winning artist Antonio Castro. She makes the old man believe it snowed tortillas during the night! In another story, a young boy gladly gives up all of his wages for good advice. His parents think he is a fool, but the good advice leads to wealth and a royal marriage. And of course, we listen again to the ancient tale of the weeping woman, La Llorona, who still searches for her drowned children along the riverbanks. Joe Hayes is one of America's premier storytellers. He is especially recognized for his bilingual...
