AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Jewish holidays are not really Jewish -- they are G-d s! He commands the observance of the holidays in Leviticus 23 and refers to them as, My feasts, belonging to Him and not to the people. Much of the teaching derived from these special days is the foundational milk the early church was built upon. Today, they are a mystery. Nestled within the ancient traditions (observed to this day) are secrets spelling out the events occurring at the end of the age. Open a doorway into a world that is both past and future; a world that is the undiscovered territory to a majority of people in the two major religions calling the Bible G-d s Holy Word.
