

Automobil-Rennen Und Wettbewerbe

By United States. Dept. of Defense.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. OCLC Number: 62120150 Excerpt: . . . Economic Activity The goal continues to be to assist the Iraqi Government in establishing the foundation for a strong economy and in delivering essential services. This includes: helping promote the growth of the Iraqi economy in a manner consistent with Iraqs compliance with the IMF and Iraqs international agreements; supporting development of a strong private sector; assisting in developing and implementing policies and programs that will reduce unemployment; assisting in increasing the production and export of oil; production and delivery of electricity; and other essential services; and helping to ensure the security of the oil, electricity and water infrastructure. Assisting the Iraqis achieve their economic objectives is central to attaining the ultimate goal of a stable, unified, and prosperous Iraq. Although significant challenges remain, there has been progress on a number of fronts. Performance metrics tracked by the State Departments Iraq Reconstruction Management Office (IRMO) include both macroeconomic indicators and specific indicators in key sectors and services. Macroeconomic Indicators In cooperation with the IMF, the Iraqi Transitional Government (ITG) is implementing an economic reform program, including fiscal and monetary...
