Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. All You Need To Learn About Busting Free Of Anxiety! Has your life stalled because of your anxiety and panic attacks? Have you been diagnosed with G.A.D., or another anxiety disorder? If so, Generalized Anxiety Disorder Relief: Simple And Easily Adoptable Self Help Guide To Relieve Generalized Anxiety Disorder Naturally by Joshua Sideon is THE book for you. This book provides useful statistics as well as scientifically-researched and natural tips and tricks in order for an individual to manage their anxiety and worry without having to heavily rely on medications. Studies show that 30 of adults worldwide struggle with some sort of undiagnosed anxiety disorder, and only 10 of those who are diagnosed are truly receiving the proper treatment their bodies need. This book is here to change that. How does this book help those suffering with anxiety and panic? By outlining several tips, tricks, and steps an individual can take in order to promote a healthier lifestyle, overcome the phobias that have overtaken their lives because of their anxieties, and take control of their own medical future with their doctors and psychologists. What separates this book from the rest? What separates this book from all the others out there is the approach to coping with anxiety. It does not merely outline the steps necessary to take with your doctor, nor does it keep a focus on the pharmaceutical side of dealing with anxiety. This book not only outlines all the possible treatments an individual can seek out when dealing with anxiety, it talks about 17 major points anyone can use within the comfort of their own home in order to manage and, in some cases, rid themselves of their anxiety and...
