The Association has 90 members, and by the time of departure for the Convention the entire membership will have enrolled in the State organization. Raising the Rent. Wife--The landlord was here today, Pat, and said he was going to raise the rent. Pat--Well, begorra, I am glad of that. I have been tryin for a month to raise it, but nobody would lend me the money. Prepare for Spring Business Individuals who are affected by the pollens of spring grasses are subject to so-called Rose Cold or Spring Hay Fever. Physicians usually begin to treat early--in April or May--at least four to six weeks before the expected attack. Mulford Hay Fever Pollen Extract (Spring) is a big seller at this season, being the first choice of most physicians., It contains proteins of the pollens of timothy, rye, orchard grass, sweet vernal...
