Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Joan Crawford returns to MGM in 1953. Her comeback to her alma mater is to make the garish musical Torch Song. Joan suspects that it's hokum, and that she's getting too old for such parts, but she is desperate to make it work. That includes living at the studio in her dressing room during production. All the while, a psycho killer Joan Crawford drag queen stalks Hollywood to eliminate other Joan Crawford drag queens, and Joan is so strung out on vodka and super strength diet pills that she isn't sure if she has taken up murder herself. Her gay best friend is poised ready to help her party. A powerful gangster is only interested in saving her reputation until death, and her loyal hairdresser has a son who has his own sneaky Joan Crawford secrets. The final epic showdown between Joan Crawford and Joan Crawford is beyond any movie ending ever filmed. Followed by the sequel, The Joan Crawford Monsters.
