## THE FUTURE OF RELIGION

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1981. Hardcover. Condition: New. First. 130pp. In this book Proffesor Banerjee has, among other things, made an attempt to show that the moods of the human mind characterizable as contemplative, meditative and Yogic are really devoid of genuinely religious significance, in as much as they are, in an ultimate analysis, ways of escape from the goal of human liberation. The religions of God as well as religions without God typified in ancient times also have been shown by the author. But then, religions without God have their positive counterpart in humanism, precisely the kind of religion which, as has been shown in the Second Part of this book. This book is sure to be of absorbing interest to men of religion, philosophers and the general reader alike.
