

The Quest of the Absolute: Birth and Decline of European Romanticism (Paperback)

Filesize: 2.04 MB

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE QUEST OF THE ABSOLUTE: BIRTH AND DECLINE OF EUROPEAN ROMANTICISM (PAPERBACK)

[DOWNLOAD PDF](#)

University of Notre Dame Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This eagerly awaited study brings to completion Louis Dupre s planned trilogy on European culture during the modern epoch. Demonstrating remarkable erudition and sweeping breadth, *The Quest of the Absolute* analyses Romanticism as a unique cultural phenomenon and a spiritual revolution. Dupre philosophically reflects on its attempts to recapture the past and transform the present in a movement that is partly a return to premodern culture and partly a violent protest against it. Following an introduction on the historical origins of the Romantic Movement, Dupre examines the principal Romantic poets of England (Wordsworth, Coleridge, Shelley, Keats), Germany (Goethe, Schiller, Novalis, Hoelderlin), and France (Lamartine, de Vigny, Hugo), all of whom, from different perspectives, pursued an absolute ideal. In the chapters of the second part, he concentrates on the critical principles of Romantic aesthetics, the Romantic image of the person as reflected in the novel, and Romantic ethical and political theories. In the chapters of the third, more speculative, part, he investigates the comprehensive syntheses of romantic thought in history, philosophy, and theology. *The Quest of the Absolute* is an important work both as the culmination of Dupre s ongoing project and as a classic in its own right. The book will meet the expectations of the specialist as well as appeal to more general readers with philosophical, cultural, and religious interests.
