Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. N H Shuman (illustrator). Large Print. Language: English . Brand New Book ***** Print on Demand *****.Inchworm, Inchworm: For those of us who grew up in the 50 s and 60 s, The Inchworm Song holds a special place in our hearts. Who can forget the touching scene as Danny Kaye -- starring on film as Hans Christian Anderson, the kindly story-teller -- sings a sweet melody to a group of little children. Hans shows the children a tiny inchworm, as it inches along the leaves of a marigold flower, measuring them all day long. He asks the inchworm in song, Do you ever stop and see how beautiful they are? I always felt like the song captured the essence of society s failings in the 20th century - we were experimenting with socialism, trying to create freedom for all, but we felt like we had failed. Instead, it seemed as though most people were forgetting that the beauty of nature and her children are the only good reasons for working and building. Instead, tyrannical forms of socialism had emerged, turning people into soul-less, numbered robots. People needed reminders that they were still a part of the beauty of nature, still important and infinitely valuable. I always knew there had to be an Inchworm Story behind the song, and I searched for it over the years, wanting to read it to my own children. Finally, I realized that the only such story was the one that inhabited my own dreams. If I wanted an Inchworm Storybook for my children, I would need to do it myself, like the proverbial Little Red Hen. I created my own version, and now I am sharing it with you! It s a fun story...
