

India Aspires: Redefining Politics of Development

By Nitin Gadkari

Wisdom Tree, New Delhi, India. Softcover. Book Condition: New. A politician need not necessarily be an economist. Neither is it required that he be an expert on science and technology. He may not be proficient at infrastructure planning or be adroit at managing natural resources. Instead, a politician ought to be a person savvy enough to manage diverse issues with the aim of enabling the country realise her true potential. In this book, his first in English, Nitin Gadkari talks about his aspirations for the country. He roots for developing biofuel and solar energy. He talks about managing India's natural resources better, besides giving our agricultural and rural sector their long-standing dues. He delves into the fallacies that hold us back as a nation and suggests ways to power ahead. As told to bestselling author Tuhin A Sinha, India Aspires gives a rare insight into the thoughts of Nitin Gadkari and spells out his agenda for the nation. Printed Pages: 204.
