*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You won't really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*

## LOCHS AND LASSES (PAPERBACK)

Highland Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Knight's Duel: Sir Devon of Clyde soon finds himself in a quandary as he escorts Adele to wed the king's son. Tables turn. Instead of becoming a bride, she becomes a hostage with her very life in danger from his king, and Devon must make the most knightly decision of his life. Sword of the Highlander: When a medieval sword arrives at a costume shop in Haight-Ashbury, Cassidy Gordon has no inkling a time-traveling Highland warrior will come to claim it. But she's not about to let him have the sword. Not even if Niall MacChumail is the most virile, seductive, and persuasive man she's ever met. Border Rogue: Desperately needing money to pay mercenaries, Sir Aidan MacDouall abducts Juliana Colbert from an English abbey and hies back to Scotland to wait for the ransom. Unfortunately, the winsome lass turns out to be the wrong woman . . . and the Earl of Buchan believes in giving no quarter to anyone with a drop of English blood. Dark Kiss: A holiday sounds perfect for Brooke Michaels. She could use a break from her boring, daily routine in London. However, something goes wrong and Brooke finds herself back in the middle of Robert the Bruce's war with King Edward II. Breeding's love for the medieval world of Scotland shines in all these tales. This book would be a delightful companion to curl up with on the beach, plane, or on your couch on a lazy afternoon. I couldn't put it down. Ann Major, USA Today Best Selling Author.
