Brand New Book ***** Print on Demand *****.(Book Three of the Legionnaire Series) Stephen Anderson is at the top of his profession. An insurance investigator for the Worthor Corporation, Anderson has just recovered the burial mask of King Tutankhamun and earned a five- million-dollar reward. In addition, an unexpected lady in his life is rekindling feelings that have lain dormant for a long time. But after several years of concealing a prior life in the French Foreign Legion, he has been recognized by a pair of vengeful fugitives who thought him long dead. Wanting to even the score, a wave of destruction and chaos is building, with Anderson and those close to him as the targets. Anderson's present life depends on his past remaining hidden. A fire bomb breaks his idyllic world wide open and sets him on a dark path, where his past collides with the present.

Reviews

This book will be worth buying. Better than never, though I am quite late in starting reading this one. You may like how the blogger composed this publication.

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
