THE DEVIL S FINGERS OTHER PERSONAL ESSAYS (PAPERBACK)

Wings Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The more than two dozen personal essays in this new collection by one of Texas s master storytellers range from travel pieces about Havana and London to stories about small-town exotics that are funny, nery, outlandish, and all characterized by James Hoggard s sly wit and his noted openness to people he meets along the way. Fast-paced, yet at the same time reflective, Hoggard guides his readers into some of the wonderfully strange turns of the world, including a Saturday morning gathering of khaki-dressed men who have hunkered down at a Dairy Queen to get away from their women who want them to spend the day doing chores. At the same time they see Hoggard as a bicycle-riding exotic who finds it normal to go out and bike 60-odd miles before lunch. Now and then the encounters are hair-raising, sometimes scary, but Hoggard always provides the kind of interior monologues that draw upon both deep reading and deep observation.
