Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SHOCKER is the horror humor story of a prisoner, a religious idol, monsters and mayhem. Vito The Shocker Shocketti has been locked away in Rahway State Penitentiary for twenty years of his life sentence. In that time not one cellmate has endured being quartered with him for very long. That all changes when a young kid, Manny Dirty Sanchez, gets put with The Shocker. A star struck Manny begs The Shocker to tell him his legendary story of crime and murder. Vito decides to unload on the kid, who becomes more and more engrossed in The Shocker's tales of living life on the edge in the seedy heavy metal club scene in 1980's New Jersey. The Shocker, impressed that Dirty has not begged the guards to move him from the cell, drops a bombshell. All the murders The Shocker committed were directed at the behest of Baby Jesus. The Shocker's tales devolve into the weird and insane. Could The Shocker be making it all up to make Manny think he is criminally insane or is the Baby Jesus real and has a higher plan for the both of them? Seasoned writing veteran Armand Rosamillia teams up with hungry newcomer, Frank J Edler to tell this darkly funny story of reckless behavior, oddball monsters and the cherubic Baby Jesus. The two Jersey boys spin a thick flavor of heavy metal life in New Jersey that will make the most bad-ass of metalheads cringe with delight. This story should come with a pair of tight black leather pants and a can of Aqua Net. Also features an interview with both authors by fellow deranged author Christian Jensen.
