Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I am sitting here in this wonderful old house I call God s House International, reflecting on many wonderful years of walking with Jesus. I am now 85 years young, beginning in ministry and an entirely new life. God gave me a new husband. Charles Lee Emerson. Each day my question is, What s new Lord? I m going to note here that the Holy Bible is the God breathed, divine Word of God, written by several men who were instructed by the Holy Ghost as to what to write and when to write it. The Holy Scriptures in this book were taken from the King James Version of The Holy Bible. It doesn t matter how many times it has been re-written or whether it is King James or any other translation. God is all-powerful. He can speak to your heart through any one of them; be they English, Spanish, French or any other language. He is still God. He alone knows the heart of man. After all. He created the earth and the fullness thereof. He is the Author. If we meditate on His Word enough. He will speak to our hearts. Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this? This is What Happens When We Only Believe.
