BURNT SAGE (PAPERBACK)**DOWNLOAD**

Outskirts Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Burnt Sage is a rhapsody of money and passion-filled romance, of betrayal and double-dealing, of adventure and intrigue and restless disembodied souls lurking in a murky limbo between life and death. Enter Dawn Sage-one of the principal characters-a been-there-done-that survivor of domestic violence whose life, cluttered with the drama of a temper-tossed relationship colored by frustration and heartache, flees Chicago, having withstood her ex-boyfriend s buzz-saw of angst and many of his bridge-burning eruptions. Ambitious and good-hearted but with a backstory of homelessness and dashed hopes, she arrives in Los Angeles, with the drumbeat of expectation that her life will change for the better. A life that twists and turns through triumphs and setbacks; a fling that she hopes is rooted in love and passion and not some thrill-seeking, stress-busting roller-coaster that fizzles after a few months; and mind-boggling, hair-raising encounters with ghosts, haunted houses and spirits of the known dead coming back to make contact with the living. Newly single and still feeling gun-shy about dating, after a break up with her live-in love, Dawn Sage falls head over heels for a sweet-talking sophisticated bad boy who knows he has it going on, putting his courtship of her on fast-forward without getting to know his real intentions for the relationship. But, is he the ultimate player-a Mack-Daddy extraordinaire, a raspy-smooth operator who knows the right tune to strum on her heartstrings? Throughout the story, these questions run around in her head like a sprinter doing practice laps on a track. She is a woman that has been wounded by love before and choked by the debris of physical and emotional abuse. Like they say, A Burnt Child Dreads Fire. Is her Mr. Look...
