Comerstone. Paperback. Book Condition: new. BRAND NEW, The Hungry Spirit: New Thinking for a New World, Charles B. Handy, With his characteristically very personal anecdotal style, Charles Handy analyses how materialistic capitalism is self-limiting, how efficiency may be the enemy of a cohesive society, and examines the false certainties of science and religion. Offering a carefully considered and compelling alternative vision, the book challenges the status quo on everything from capitalism and organization to goal-setting and morality. With nods to Kant, Keynes, Sartre and Drucker, The Hungry Spirit is not your usual business tome, but that, of course, is part of Handy's plan.
