An extremely common pedantic term occurs in the Latin word Queere, Englished Query; which is employed in a most awkward manner to ask a question, when it is altogether useless and impertinent. For example-- He thinks. so;--but query--is he right? -- It is so reported;--but query--is it correct? -- Query--Do you believe that? This might with great propriety have been classed with the awkward vulgarities, were it not so evidently pedantic. Such are a very few of the pedantic vulgarities which have spread from the schools and the courts of law into conversation, the elegance and purity of which they do much to debase. I once heard it remarked, by a very shrewd man, of the chemical phrase per se, that it was very often unintelligible; and he had always observed, that when men speak Latin, they seldom know themselves what they are saying. The fashion of spoiling plain English by words, phrases, and quotations from foreign languages, was some time ago nearly banished from good writing; but it still kept its place in conversation: and now that the...
